

Identify Two Organizations

Non-profit: **Urban Wellness**

- 2910 San Mateo Blvd Unit 5 Albuquerque, NM 87110
- 505-369-0081
- <https://www.urbanwellnessnm.com/>
- I have always been interested in Legal Cannabis and wondered why there isn't more advertisement done, especially for the non-profit organizations in the industry. Are there laws against it? Hoping to learn some new info out of this.
- My plan is to use their website to send them a well written email explaining what I want and if that is to no avail, I will call and or visit one of their locations with hopes of speaking to someone in charge.

For-profit: **Silva Lanes**

- 3010 Eubank NE BLVD, ABQ, NM
- 505-298-5583
- <http://www.silvalanes.us/>
- I have been going to Silva Lanes to bowl for 3 years now and it continues to be one of my favorite place to go. They have a beautiful website and a constant flow of people, due to their good deals and late night hours. Not that they need it, but they are lacking and would probably benefit from a couple advertisements.
